	Expand Print Tool
	Expand Help & Information
	Locate or enter coordinates with conversions

## AdaptVA Interactive Map Map Symbols Quick Guide

GIS DATA LAYERS	
	Expand or collapse main category to view data layers
	Layer information including data source displayed in a popup window near the lower left corner of the map.
	More Options button includes Information button and opacity adjustment to increase or decrease layer transparency. Appears blue when open.
	Adjust layer transparency when viewed with other layers. Increase opacity makes layer darker. Decrease opacity makes layer more transparent.
FEATURE IDENTIFICATION	
	Multiple layers on map display. Scroll through arrows for feature information.

## Navigation Tool Bars

The screenshot shows the AdaptVA Interactive Map interface with the following tool bars and functions:

- Find Address:** A search bar at the top with the text "Find address or place" and a magnifying glass icon.
- Zoom:** A vertical toolbar on the left with a plus sign for zoom in and a minus sign for zoom out.
- Default view:** A home icon in the left toolbar.
- Measurement tool:** A ruler icon in the left toolbar.
- Base Map Gallery:** A grid icon in the top right toolbar.
- Map Contents:** A layers icon in the top right toolbar.
- Legend:** A list icon in the top right toolbar.
- Print Tool:** A printer icon in the top right toolbar.
- Help and Information:** A question mark icon in the top right toolbar.
- Coordinates:** A location pin icon in the bottom left toolbar.
- Map Scale:** A scale bar at the bottom right showing 100 meters and 300 feet, with a scale of 1:4,514.

Map labels include: Franklin Rd, George Washington Memorial Hwy, Roper Rd, Greato Rd, Spencer Rd, Virginia Institute of Marine Science, Old Park, Gloucester Point Beach, and a scale of 1:4,514.
